

IFA Singapore Branch – Tax Academy 2019 Digital Tax Conference

Taxing the Digitalised World: Triumph or Debacle?

4 October 2019 | 9.00am to 5.15pm | Sheraton Towers, Ballrooms 1 and 2

Digital transformation and the digitalisation of the economy drive today's global tax agenda. The theme "Taxing the Digitalised World: Triumph or Debacle?" selected for this year's conference is in response to the latest developments on taxing the digitalized economy in the light of the ongoing work on the re-allocation of taxing rights under Pillar 1 and the global minimum tax proposals under Pillar 2 of the OECD/ BEPS paper, as well as specific country responses.

This conference brings together tax officials, corporates and industry representatives and tax professionals from the Asia Pacific region, the US, the UK and Europe to share and deliberate these developments.

Who should attend:

Members of the business and tax community | Legal professionals | Academics | Policy makers and tax administrators

Registration

Closing Date: 13 Sep 2019

Seminar Fees: SGD 353.10 (incl. GST)

ABOUT THE SPEAKERS

Mr Gary Sprague
Partner
Baker McKenzie

Mr Sprague joined Baker & McKenzie in 1985. His practice focuses on advice to software, high technology, and digital enterprise companies. Mr Sprague was the Co-General Reporter for the subject Taxation of Income Derived from Electronic Commerce for the International Fiscal Association 2001 Congress, and is a co-author of BNA Tax Management Portfolio No. 555, Federal Taxation of Software and E-Commerce. He is a regular contributor to the Tax Management International Journal's Leading Practitioner Commentary. He will be the General Reporter for the Main Subject "Big Data and Taxation" of the 2021 IFA Berlin Congress.

Prof. Dr. Dennis Weber
University of Amsterdam
Of Counsel, Loyens and Loeff

Prof. dr. Dennis Weber is Professor of European Tax Law at the University of Amsterdam, with specialization in business taxation, legal tech tools and anti-BEPS rules. He is director and founder of the Amsterdam Centre for Tax Law (ACTL), which is the tax law research centre of the University of Amsterdam, the Netherlands. He is a guest lecturer at various universities worldwide. Mr Weber is affiliated with Loyens & Loeff, where he heads the European tax law team and acts as a consultant, mainly to multinational organizations. He has been involved in numerous proceedings in the field of European tax law before the Dutch courts, the European Court of Justice (Verkooijen, D case, Société Générale) and foreign courts (in Spain, France, Italy and Sweden).

Ms Maryanne Mrakovic
Deputy Secretary, Revenue Group
The Treasury

Maryanne Mrakovic commenced as Deputy Secretary, Revenue Group in May 2016. In this position, Maryanne provides advice to the Government on revenue and taxation policy matters, including the provision of revenue forecasts and costings of taxation policies; analysis of the economic and social effects of taxation policy proposals; and contributing to public understanding of revenue matters.

Maryanne's career has spanned over 30 years with the Commonwealth Treasury working across all areas of Treasury. She also spent 5 years at the IMF and 3 years as Associate Secretary, Fiscal and Economic at NSW Treasury. Maryanne holds a Masters of Economics from the Australian National University and a Bachelor of Arts (Honours) from the University of Sydney.

ABOUT THE SPEAKERS

Mr Paul Lau
Partner, Tax
PwC Singapore

Paul Lau is a tax partner at PwC Singapore. He specialises in financial services and tax policy matters. A member of PwC's global financial services transfer pricing network, he is actively involved in rendering tax and transfer pricing advice to banks and investment funds in structuring cross border transactions. He follows closely the tax developments led by the OECD, and provides inputs to the tax policy network and other stakeholders. With over 25 years of experience in practising tax, Paul has advised on corporate restructuring, mergers and acquisitions, tax risk management and governance, asset securitisation and capital market instruments.

Prof. Dr. Alfred Storck
Co-chair WU Transfer Pricing Center
Vienna University of Economics and Business

Prof. Dr. Alfred Storck is Co-Chairman of the Board of Directors of the WU Transfer Pricing Center at the Institute for Austrian and International Tax Law at Vienna University of Economics and Business (WU) and, since April 2009, a visiting professor at the same institute. The focus of his research and teaching activities is international business taxation and transfer pricing. Before his academic activities, he held various executive positions (including head of Tax) in a large multinational company headquartered in Switzerland. Alfred Storck is acting as a co-editor of the journal "Transfer Pricing International" (publisher Linde/Otto Schmidt) and as an arbitrator in transfer pricing disputes (Tax Treaty cases).

Mr Billy Thorne
Director – UK Tax Desk
Ernst & Young

Billy has led EY's UK tax desk for the APAC region since moving to Singapore in January 2016. Before moving to Singapore Billy sat within EY's London Mid Markets team, providing tax advisory services to a wide range of clients, with a significant focus on Asian inbounds into the UK. Billy has more than 15 years' experience of working in UK corporate tax and advises a wide spectrum of clients ranging from large multinational Plc's to privately owned Asian groups on their UK operations. Billy regularly presents across the APAC region on recent UK tax developments.
